CREATING A LIFETIME OF MEMORIES!

Welcome to our July 2023 to February 2024 Getaways brochure. Windarring has an excellent reputation for creating safe and affordable Getaways. We aim to produce experiences that suit everyone.

Earlier this year we embarked on our very first overseas trip to New Zealand. A fantastic experience for all with so much to cover in one visit. New Zealand again next year? Due to the success of our first overseas trip, Windarring are going bigger and better for the last half of the year with our next overseas trip to Singapore.

Something different we are offering is an opportunity for people who are exploring their career opportunities. We will be going to Etico in the Blue Mountains. Etico is a social enterprise that supports people with disabilities to learn about hospitality through training and paid work. We thought some people may like to meet the team who work at Etico. The Getaway will be led by experienced staff working in Windarring Australian Disability Enterprises and the School Leaver Employment Service.

Our Getaways aim to have small groups. This is to enhance the holiday experience and ensure everyone has individualised supports.

If a group Getaway isn't suitable, we are able to plan individual experiences. Windarring can tailor any experience to suit personal needs.

Respite Care

At Windarring we offer a variety of respite options. Respite supports people with disabilities and their families by giving carers short breaks from their caring responsibilities. Windarring always creates a fun and enjoyable experience.

Our respite experiences tailors activities to meet the individual's needs. Respite can be as relaxed or as active as you wish. Just let us know what you love to do.
